Dear Mr. and Mrs. Reinoehl,

Thank you so much for letting Tucker stay with us in cabin three for summer one. Tucker was a real joy to have around, both because of his fantastic attitude, and gentle spirit.

Tucker was one of the hardest workers at camp. He was always giving his all in every competition and/or activity he participated in. Tucker was also very willing to do his Bible journal and memory verses. This was a true blessing to me, because it is so rare to see a kid get excited about God like he did!

Thank you again for entrusting Tucker to us for eight days. I will always remember his three "clutch" saves on soccer competition night, and the humility with which he accepted the praises of his teammates! I hope Tucker can return to SB2W next year!

Sincerely,

Luke
